

RECREATION PASSES

Flaming Gorge Passes

A Flaming Gorge Pass is required for parking at High Impact Recreation Areas (HIRA) on the Flaming Gorge National Recreation Area. Congress has recently passed the Federal Lands Recreation Enhancement Act (REA) replacing the Recreation Fee Demonstration Program. The new REA program extends fee authority for 10 years while at the same time refines where the fees can be charged.

REA has been implemented in areas, or corridors, that have improvements, services, and facilities that benefit the recreating public. For example, restrooms, fish cleaning stations, courtesy docks, divider docks, picnic areas, paved parking areas, garbage service, multi-lane boat ramps, interpretive services, security services, and developed beaches.

The following explains where a recreation use fee is required.

Each location is termed a High Impact Recreation Area (HIRA) and will include a ¼ mile corridor surrounding the access road from the highway to the lake or river access point.

Parked vehicles in a High Impact Recreation Area that do not display a valid Flaming Gorge Pass are subject to a citation of \$75. America the Beautiful Senior, Access, Annual, and Volunteer Passport holders as well as Golden Age, Golden Access, Golden Eagle (if expiration date is still valid) are not required to purchase the Flaming Gorge Pass. The majority of the revenue remains in the area where it is collected. The money is used for repair and rehabilitation of recreation facilities and for improved visitor services. Passes can be purchased at the Forest Service Offices in Manila, Green River and Vernal, the Flaming Gorge Dam and Red Canyon Visitor Centers. Local vendors also sell passes.
