In partnership with the Utah Division of Wildlife Resources and Wyoming Game & Fish Department, the Flaming Gorge Chamber of Commerce will once again host the annual Burbot Bash ice fishing tournament to help maintain the renowned trophy fishery in Flaming Gorge Reservoir. We are honored to continue this effort with the next event planned for January 29-31, 2021.

The ice fishing venue is vast and the Chamber plans to execute a COVID-19 responsible, socially distanced event. Registration and Prize Awards will be remote, and no closing ceremony will be held this year.

In the past, the Bash has attracted over 1,000 entries and remains one of the biggest winter fishing tournaments in the country. As participant numbers increase, so do the various cash rewards. In 2020, over \$40,000 in cash and prizes were awarded back to participants.

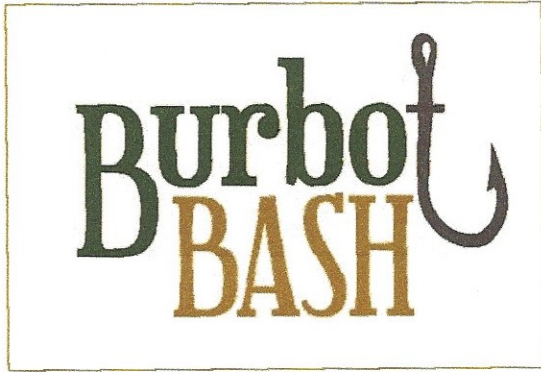

Our robust social media platforms reach over 30,000 winter outdoor enthusiasts. In addition, Adam Eakle, *KSL Outdoors* popular TV host is will be educating fishermen with pre-event TV promos on the threat illegally stocked Burbot pose to the trophy fishery and how to catch Burbot in Flaming Gorge.

Thank you for your consideration and we hope that you will join us in making the 2021 Burbot Bash a success!

Sincerely,

Flaming Gorge Chamber
Burbot Bash Committee
